One-Piece System

US	H	10	M	3	F
Position 1: **Pouch**	Position 2: **Skin Protection**	Position 3: **Opening**	Position 4: **Supplement 1**	Position 5: **Convexity**	Position 6/7: **Supplement 2/3**
CSC = Colostomy Select Cap CS = Colostomy Select DP = Drainage Protect IP = Ileostomy Protect P = Premature US = Urostomy Safe	A = Alginate B = Bed bag G = Gelatine-free H = Hydrocolloid M = Microskin	10 = 10 mm 15 = 15 mm 20 = 20 mm 2000 = 2000 ml capacity 2070 = 20 mm opening 70 mm max. cutability etc.	L = Large M = Medium convex S = Small V = Convex XS = Extra small	0 = Convexity 0 1 = Convexity 1 2 = Convexity 2 3 = Convexity 3	B = Black F = Flexible uro bung closure H = Urostomy tap NF = No filter T = Transparent Z = Accessories

Two-Piece System

C	K	5715		V	2	
Position 1: **System**	Position 2: **Pouch / Baseplate**	Position 3: **Locking Ring Locking Ring and Opening**		Position 4: **Supplement 1**	Position 5: **Convexity**	Position 6/7: **Supplement 2/3**
C = Clic	A = Alginate C = Colostomy DP = Drainage Protect I = Ileostomy K = Contoured U = Urostomy	45 = 45 mm Locking ring 57 = 57 mm Locking ring 70 = 70 mm Locking ring	10 = 10 mm 15 = 15 mm 20 = 20 mm etc.	M = Medium convex S = Small V = Convex	0 = Convexity 0 1 = Convexity 1 2 = Convexity 2 3 = Convexity 3	B = Black F = Flexible uro bung closure H = Urostomy tap T = Transparent

- » Upper case letters and numbers only
- » No spaces
- » Window is standard, not named in article no.
- » Safe & Easy is standard, not named in article no.

- » Filter (ileo, colo) is standard, not named in article no.
- » Drainage pouch extra (SDE2-xxx) do not use the article nomenclature
- » Other deviations are named in the article description
